<b>PRINCIPAL REPORT</b>		<b>JOSHUA VONDEYLEN</b>
	<p>A lot to cover so we will go quickly. We issued a call in December to a Mr. Beyersdorf and he returned the call. That means that we get a list of candidates that would be a good fit for our school. we have a lot of kids coming in and building plans. We need another teacher. The church body called Mr. Beyersdorf and he declined to come. We have another meeting February 6 and make another call. This will be a 6th grade teacher and departmentalizing math. Ms. Wiedmann has another call in Grove City, OH.</p> <p>Playground Equipment/Security Equipment Grants: to do our building plan, we have to move th playground. It costs a lot of money but we need grants. We need to all be on the lookout for that. WE also need security equipment. We have awesome equipment. WE need to switch key and lock system.</p> <p>Maybe we can also use some grant money for standing desks. He is working with Ms. Crowe on some bouncy balls.</p>	

Soccer Coach: the teachers don't know anything about soccer. we have parents to coach K-2. We also have a former student who is playing high school soccer who will come back and help. But we need parents to help coach. Soccer starts Feb 22 for younger and March for older kids.  
Basketball: Jerseys were really expensive. we paid and only got 12. This only covers our A team. They arrive this Thursday. Total was \$724. Randi will look at printing companies. Also, can we get a sponsor for the jerseys.

Third place in last two tournaments for the A team. We were at Maitland 3 times in the last 10 days. Their parents complimented our sportsmanship.

Guest Speakers - we had two this past month. One was from Africa. The kids loved it. We also had recruitment director from Luther Prep School come and speak to the kids.

Kindergarten Round Up is tomorrow.

New Sub - Heidi. She subbed for 1st grade last week.  
Paper Drive and Food Drive - Food Drive is Feb 4; to build food pantry. Almost entire month of February. Feb 7-11 - spirit week. Theme day every day. If you bring food, you can wear jeans. For LLA, there are themes for each day. WE have had a lot more people using the food pantry.

Paper Drive - going on now.

2022-2023 Calendar - Amanda Brake and Mr. V are working to align them as much as possible. How important is it to have the same calendar as VCPS. Major things like Spring Break bc of sports or for teachers with kids in public school. The bigger breaks should align according to most parents.

He should have a calendar by next meeting.

Registration information - Feb 1. Registration begins for returning families. If TADS can make all of the changes that we asked them to before that date, it will open then.

There will be a new fee in the TADS process - curriculum fee. it is a staff fee; we need to hire new teachers. We need to hire a new head of maintenance.  
That will be due before June 1. k-3 is \$50. After June 1 it is \$100. 4-8 grade - \$100 fee for returning families. \$150 after June 1

Important Dates - see Agenda.

Last COVID update - there are new letters to families if there was an exposure. CDC updates guidelines. 5 day quarantine or negative test.
